

My sibling BBGs,

I, Sophia Ruby Schwarz, am  
caucused for the high and  
honorable position of N'siah for the  
D'vash's 126th Winter/Spring Term.

This chapter has made such an  
impact on me. I have found my  
greatest role models, and friends I  
am grateful to call my siblings in  
D'vash. I have enjoyed my leadership  
roles in BBYO so far, and I know that  
role of N'siah is a big one, but I  
hope to help our chapter thrive,  
continue our sisterly bond, and  
create new memories in BBYO

Submitted with undying love for my  
D'vash sisters, cupcakes, and my  
heart and home D'vash BBG #956,  
I forever remain, Sophia Ruby  
Schwarz, a damn proud BBG!
