Respectfully submitted with undying love
for soaring our way into better programming,
the color pink, first regional board, and my
hearts and homes Lilith BBG #324 and
Pacific Western #44, I remain
Rotem Alexandra Azariya,
caucused for the very high and
very honorable position of PWR's
Second Regional S'ganit.

GOALS

Make a PWR program bank (PoWeR Bank)! I would post all of the event planning forms onto the program bank (a website where ideas for programs are posted) so chapters will have inspiration to plan better events and programs!

Send two new pages of "The Wings of Programming" to the chapter S'ganit once a month. This is a series of releases centered on programming and how to incorporate the six folds of BBG into events.

Go to at least two events a term per chapter. This will help me know what every chapter's strengths and weaknesses are when it comes to events so I can help every chapter individually.

Work with the Regional Morah to make resources such as handbooks, program ideas, etc. available for newer members so that they can plan successful first events.

Create a roster of all of the chapter S'ganit and S'ganim with their names, emails, and phone numbers so it will be easier for chapters to plan events with each other.

Plan an amazing BOTC 2013!

Expand on PWR's BBGG athletics league by hosting aerobics/Zumba/yoga/pilates events for the entire region.

Stay in constant contact with counterparts.

Help every chapter plan a six-fold event!
