GOALS

HVIS, N

2017

Sweet candidate for the high and
honorable position of Yafah BBG's Fall
Riley Denice Lauria

My Sister B'nai Brith Girls.

When writing a recipe, there are multiple vital ingredients to include in order to successfully bake a cake; these ingredients, like members of our chapter, combine together in our "bowl" to create the perfect "batter". But to stir that batter, there must be a skilled chef with a tough spoon to perfectly crush all the bumps, bake (and not burn) it, and decorate it. I am ready to be the chef that will get rid of the bumps and bubbles and help successfully bake our cake.

But it is up to you, my sister B'nai Brith Girls, to be the eggs, butter, milk, and frosting and join me in helping to make our chapter the sweetest in the order. We can't do it without you.

Respectfully submitted with undying love for
Yafah BBG #2544, Gold Coast Region #51, CLTC 1 2016,
Halev BBG #6716, EEEE, sugar, spice, and everything nice,
I forever remain

Riley Denice Lauria
