My Brother Alephs,

It has been three years since we received our temporary charter and we have grown tremendously since then in almost every aspect of our chapter. Our programming, recruitment, and leadership have all adapted to sustain the large chapter we are growing in to. **So why do we still fundraise like a small chapter?** It doesn't add up. This is the term where we need to realize our full potential and finally fundraise like the large and still growing chapter that we are. I am caucused to be your Gizbor because I can be the driving force behind that growth. Fraternally submitted with undying love for innovation, Camp Airy, the Baltimore Ravens and my heart and home Max Cowan AZA #2552 I forever remain
