“I want to have fun. It's a beautiful life. You learn, you win, you lose, but you get up.”-
Nas

My brother Alephs,

I love this chapter more than anything in the world, but we have some real issues that we need to resolve. When I first joined, there were no problems involving politics, cliques, or too many meaningful programs. All we focused on was FUN and FRATERNITY. These are my two favorite aspects of AZA, yet it seems like we are currently moving away from them. However, my #1 goal and promise is to point us back in the right direction, and make sure that we never stray from it again. We are already amazing leaders, so, now, why can't we just focus on being amazing brothers? THAT IS WHAT AZA IS ALL ABOUT. We must always put our brothers before ourselves, and I want to put all of you before myself and make sure that we are the BEST DAMN CHAPTER IN THE ENTIRE INTERNATIONAL ORDER!

Fraternally submitted with undying love for music, Baltimore sports, CLTC 7 2012, Perlman Summer 2013, ILSI 2014, NRE: DC Council #54, the international order of the Aleph Zadik Aleph, and my heart and home, Max Cowan AZA #2552, I forever remain,

Daniel S. Brilliant
