My Brother Alephs,

When I joined this order 2 years ago I had no idea what I would do with the next two years of my life. Needless to say 2 years ago I made the best decision I have ever made in my entire life.

I would like to give back to the brotherhood that's given so much to me, to give back to those who showed me the way who helped me get to where I am today by inspiring those who are now just starting out.

*With Lonestar's 31st year in front of us we are beginning on a new chapter of it's prosperous journey. With us we have the memories of thirty years of brotherhood standing behind and thirty new years in front of us. **This is our time.***

Fraternally Submitted with Undying Love for, Lonestar Region #73, Small Cities Council #123, Capital AZA #2548 and all of the young men who have led before and after us.

I remain,

Salim Haruka Gerald
