Denotes Planned

Oseh is a living chapter, which has changed over the years. Accepting and working with this change is vital to the survival of the chapter. As Mazkir, I will work to end the problems that plague Oseh right now.

Attendance is the biggest problem we have, and as Mazkir I can easily address this. With enough hard work and perseverance, we can make Oseh truly great.

Fraternally submitted, with undying love, for NRE, T-posing, beavers, and my heart and home, Oseh Shalom BBYO #5261, I forever remain...

Goals and Ideas

- ✂ Bring back Video Comms and release them at least once a month
- ✂ Comms Calls Every Wednesday
- ✂ Release Comms by Monday Afternoon
- ✂ Embed Promo Videos, Minutes, and Beaver Blurbs into Comms
- ✂ Announce Events at least Two Weeks in advance
- ✂ Announce new recruits and people who recruit them in Comms
- ✂ Take attendance at meetings and events
- ✂ Create special attendance incentives for non-board members who attend at least 85% of Oseh Events
- ✂ Keeps Scores and Statistics for AZAA
- ✂ Have an Oseh awards program at the end of the term
- ✂ Reach out to all inactive members and encourage others to do the same

- ✂ Organize Carpools for every Council Event
- ✂ Work with Council to make AZAA easier to go to for HoCo chapters
- ✂ Use the remind consistently to inform all members about events and changes quickly and conveniently
- ✂ Have at least 30 quality minutes for every meeting
- ✂ Provide quality snacks at Chapter Meetings
- ✂ Get an average of 30 members at each program by the end of the term
- ✂ Create a map with every important location for Oseh events (places where a lot of programs are, where carpools leave from, etc.)
- ✂ Create a special AIT/MIT communications network with the Moreh and MIT Mom to retain them once they're recruited

HoCo Spirit Day

AZAA and BBGG are important parts of the BBYO experience. However, it is hard for a lot of members to drive an hour to Rockville every Sunday. Carpools have helped this problem, but people still are reluctant to go so far just for one thing. Having a small scale AZAA/BBGG event in HoCo would be a great way to introduce new members to them.

Beaver Week

A big problem we face is retention. People don't see how unique and special Oseh is. Beaver Week would be a week with a program, AZAA game, fundraiser, and a meeting. With so many Oseh events one after another, we could easily give new members a rundown of everything the chapter has to offer. Only having this one week ensures that members do not burn out from too many events.
