Membership Goal

Right now we have 204 Alephs Registered. I think that increasing each chapter by 30%, giving us 265 total registered Alephs is a great goal, and very achievable.

My Brother Alephs,

The time has come to elect a new Regional Board, and when deciding who to give your vote for Regional Moreh, I urge you all to remember that Moreh is among the most important positions in our order, and this upcoming term is at a crucial stance especially in the Moreh's department. In the past few years, Mountain Region has advanced in some areas, yet dwindled in other areas. Unfortunately most of this decrease in productivity has been seen in membership. Using my years of experience and my innovative Moreh tactics, Mountain Region will once again stand as it once did, as the strongest region in all of the order. As Regional Moreh, I will personally meet with each Chapter Moreh in order to incorporate my ideals into each chapter's own agendas. I will see to it that Mountain Region will have increases in all areas of Moreh related productivity.

Fraternally submitted, with undying love for Rabbi Marvin Meir Reznikoff AZA #2283, Mountain Region #47, and the Grand Order of the Aleph Zadik Aleph, I remain Aleph Daniel Lee Ivanhoe, candidate for the High and Honorable Position of the 65th Term Aleph Moreh of Mountain Region AZA.
