

# Aleph Jake Spencer Sage

## Running for Erik Weisz's 44th term Mazkir

### Goals

-  Attend every chapter meeting
-  Thoroughly document every meeting
-  Send funny texts to draw attendance to events, meetings and regional weekends
-  Be a proud representative of the chapter and of AZA
-  Be in touch with my regional counterpart
-  Keep the Erik Weisz Facebook page updated
-  Take interesting and detailed minutes at each meeting

### Ideas

-  Aleph of the week
-  Create a chapter roster with emails and phone numbers
-  Work with Shaliach to remind people and inform them about upcoming Jewish holidays in the text messages
-  Instead of or in addition to writing in the notebook, I would take minutes on my iPad to keep them organized and so they can be posted to the Erik Weisz Facebook page.
-  Help to organize carpools for events

### Events Attended

-  Zion and Erik Weisz PPP
-  Erik Weisz basketball tournament
-  Will be attending BOTC 2014

### My Brother Alephs,

Over the past three months in AZA and through the beginning of high school, I have been able to acquire the skills necessary to be a good leader among the chapter. At first I was skeptical about joining AZA, but after attending a meeting I knew it was something I wanted to be apart of. The past few months have taught be what it is like to be a good Aleph and I hope I can reflect these characteristics on the chapter by being Erik Weisz AZA #2460's 44th Mazkir.
