My brother Alephs, Judaism is our religion, and our heritage. We need to remember and educate ourselves and others about our historic past, as well as learn about our future. In addition, Stand-Up and Speak-Up are very important as we need to give to others in need, and know where our roots come from, specifically in our Jewish homeland of Israel. I am willing to take this leadership role and make the region even more successful as it was before. This will be a great opportunity for me to grow and learn new leadership skills. Fraternally submitted with undying love for Achim AZA #1016, Exodus AZA #1111, Kavod AZA # 2468 Magen AZA #2360, Lake Ontario Region, and the Grand Order of the Aleph Zadik Aleph, I remain Aleph Jakob Glogauer.
