To the Men Of Max Fisher AZA #337,

I put 100% effort into everything I do, but as your next aleph Sopher, I will put in 337% effort to put forth the greatest RC newspaper I possibly can, create the coolest spirit wear, and keep the website alive and well. This chapter has been gracious to me, and as Sopher I hope to help the chapter become even better than it already is! Fisher means the world to me. Without Fisher, I don't know where I would be. As part of a brotherhood, every voice will be heard, every idea will be considered as we make Fisher the best chapter ever. Elect me for Aleph Sopher, in order to make Fisher the best chapter anywhere!

My Brother Alephs , I Remain,

Jared Harris Katzen
