- Chapter Bittker
- Chapter Convention
- YLC 2~ 2013

Letter to the Chapter

My Brother Alephs,

This year, BBYO has been the best year so far. I've had a great time with everyone. I have learned leadership skills that I will use for life. But now on to the real stuff. As your Aleph Mazkir I will be using "Remind 101" to contact all my Katvanim about upcoming programs so they can call their Fishermen. I will attend all the chapter meetings, take accurate minutes at each of them and send them to the regional Mazkir so he knows what we are doing at each meeting and he can help us if we need it. Finally, my monthly emails about Summer Programs that will be helpful to those who don't know about them. It's also a good way to have people always thinking about going to a Summer Program.

Fraternally submitted with undying love for
Max Fisher AZA #337, I remain
Aleph Jason Zachary Gelsey

Goals

- Attended all meetings and functions as possible
- Get the most Fisherman ever at summer programs
- Use “Remind 101” to tell the Katvanim the upcoming events
- Bring my laptop to all chapter meetings and take minutes
- Promote the Summer Programs at every chapter meeting
- Encourage younger members to be Katvanim to get experience
- Teach the AIT Mazkir about the position
- Work with the S’gan to plan a summer program function
- Start promoting summer programs early

Katvan Ideas

- Have a Katvan meeting before the chapter meetings
- Update Katvanim weekly about new events.
- Often ask chapter members if they are getting their calls.
- Appoint ten Katvanim so each Katvan will call about 7 people.
- Continue updating the Katvanim's phone caller lists as more people join Fisher.

Summer Program Ideas

- Host a summer program function with other chapters.
- Create a spreadsheet that describes how interested every chapter member is about summer programs.
- Frequently talk to chapter members about summer programs.
- Use multiple forms of communication to promote summer programs to the chapter.
- Help chapter members acquire and fill out summer program scholarship applications.
