ARTICLES ABOUT EVENTS

Our Sister B'nai Brith Girls,

This past year we have loved, cherished, and taken in every moment of BBYO. Next year will be our last year in this amazing order and we want to make the most of it. We would be absolutely honored to have the opportunity to create an amazing newspaper that will help us not only to thrive in RC, but also allow us create something to preserve great memories from this chapter we have grown to love so much.

With so much undying love for Emunah BBG #156, pink and green, The Little Mermaid, CLTC 5 2011, YLC 1 2011, sisterhood, and all of you, we remain,

Dill Farish
