

you have a goal? a dream? an idea? Do you want to be able to accomplish these aspirations? I think it is time that we truly take our as to the next level. Not just think about them, but truly fulfill them. We all deserve to bring something to BBG, but more than that we deserve to get something out of BBG.

Every Bhai Brith Girl deserves the chance to make her own bucket list. To have a BBG career filled with exciting and meaningful experiences. The goal on top of my bucket list is to not let any girls' dreams go unnoticed. We need to hand each girl across this region a pencil and inspire her to make her own bucket list so that she can begin her journey throughout BBG. Then, together, we can transform our goals written on paper into beautiful realities.

In your hands you hold a small piece of paper that you wrote down your goal. This goal is something so unbelievably precious, yet powerful beyond imagination. It's your future, our future. Together, we will execute and complete each and every one of these goals.

I am running for the opportunity to serve as your 11th Regional N'siah because I believe in our power to make a difference for ourselves, for each other, for those that will follow us, and the world around us. I commend you today, to believe in it too. To believe that together, we will be a force to be reckoned with. Together, each voice will be heard, each thought will be evaluated, and each idea will be transformed, for I believe this region's success lies in your bucket list for BBG.

Submitted with love and dedication to Crossing off our Bucket Lists together,  
I humbly remain,

JILLY RACHEL LEIBOVITCH  
candidate for your 11th regional n'siah

## create your own bucket list

1. Recruit \_\_ Members

# Goals and Ideas

## OUR bucket List for the future that we can CROSS off together

### 1th regional board f gold coast region

-Hold monthly board meetings

Require each board member to hold bi-weekly phone calls and emails with their interparts and report back with the conversation so we can keep track of what we need to improve on

Insist on each board member creating goals and a plan of action for their year on regional board and have monthly board reports to see how they are progressing with goals- work cohesively and as a team to accomplish our goals together

Grow a strong relationship between both the girls and the boys board so we can successfully work as one unit

### chapter counterparts/members

Require chapter to do a SWOT Analysis and create a mission statement at the beginning each term; chapter board reports each month will also be a necessity for making sure each chapter is in shape and doing well

Communicate with counterparts on a bi-weekly basis

Request certain programs to be planned each month: 3 MBA, 2 Business Meetings, 1 GG, 2 Judaic oriented, 1 with brother chapter, etc.

Construct incentives for recruitment through membership drives where chapters would earn rewards for meeting their membership goals

Design a 6 member initiative: for every 6 members you bring into BBYO into any chapter Gold Coast, you will get half off convention

Reward members in the region for their actions and things they do through a new award system that will be implemented, documented, and presented

Present MIT and AIT discounts to conventions for their first year to encourage them to participate in all events

### international order

-Send a record number of delegates to summer programs in 2015

Promote more international leadership opportunities for the international leadership work, coordinator positions, or involvement in international convention

- Present more teens at intentional convention as well as Execs and Summits

Broadcast all international news to every member of Gold Coast by establishing a blog for things related to BBYO in region and internationally

Develop initiatives to send teens to summer programs and fundraise more to create more scholarships from the region to send teens

### committees/ chair network

Establish a Gold Coast leadership executive board where specific people will be appointed specific positions such as: social media, graphic designing for apparel, promotion videos

Develop the current chair network to extend their efforts and work by having monthly chair reports as well as creating releases to help the region reach its fullest potential

Hold monthly business meetings with regional board and executive board as well as chair work to make sure everyone is on task as well as all ideas are being taken into consideration

### personal initiatives

● -Serve as a sister to all BBGs throughout our region

- Act as a role model, resource, and inspiration to every B'nai Brith Girl in the region

● -Assist any BBG at any moment of time by always being accessible via text, phone call, facebook chat, or even an email

● -Represent Gold Coast Region as a respectable region because of the strong sisterhood and love and passion each BBG has

● - Develop a strong working relationship with my co, board, and staff, to guarantee GCR can reach the highest of heights

● - Dedicate my heart, mind, and soul to strengthening, improving, and inspiring every member of this region

● - Devote myself to ensure each and every bucket list is fulfilled

### new ideas

● -Devise a yearly regional calendar that will be created at the start of the Fall and continually updated- will allow every member to know what is going on each month

● -Set up monthly weekend programming that is coed to embrace the brotherhood and sisterhood aspects of BBYO

● -Expand programming with Miami Region by inviting them to our dances and kickoff as well as possibly doing a convention or some overnight event with them

● -Guide each regional board member to creating several releases throughout their term to guide their regional counterparts and those who seek interest in the tasks that they do

● -Promulgate a Life Convention where all seniors can give life to the entire region so that everyone gets the opportunity to hear about each individual's BBYO story

● -Propose a regional stand up cause to gear our J-serve project towards

● -Structure a plan by which there would be a new addition to the regional board of a BBG Connect chair position

### community

● -Institute a partnership between NFTY and BBYO in the South Florida Area by holding events together

● -Arrange a partnership between the temples and BBYO to have the chapter presidents come in and talk to the kids and hold a program for the kids at the temple

● -Create a Gala fundraising event hosted by Gold Coast Region to support a cause and invite the larger Jewish community of South Florida

● -Set up advertisements to be put in Judaic magazines as well as temples to get Gold Coast Region more prevalent and known

● -Hold J-Serve more than once a year and invite other members of the Jewish community to come to support whichever awareness or cause we are dedicating our time to

Because this bucket is yours. Because this bucket is what you make of it. Because it is time to make your mark. Our mark. Together. Together.
