My Sister B'nai B'rith Girls,

Picture the perfect outfit, your favorite one. You slip it on and head out. How do you feel? I know when I dress my best, I feel confident, collected and happy.

Having the resources and knowledge to be a smiling planner at the front of the room or knowing how to navigate the regional application process, you can easily feel the same level of boldness as when you wear your favorite outfit.

I promise, to each BBG in this region, that I will say ves to empowering, supporting and guaranteeing your success within your chapters and the region.

Say yes to being your best self as we head into this next year of limitless possibilities!

Submitted with undying love for the perfect dress and Central Region West #45, I remain.
