

TEAMMATES (AZA Counterpart, Chapter Counterparts, Regional Board)

AZA COUNTERPART:

- ★ Hold a position training workshop with chapter S'ganim and provide binders filled with what they need to know about their position and tips for the upcoming year.
- ★ Be in constant communication throughout the year.
- ★ **Create a Michigan Region program database for all S'gan and S'ganit to access. This resource will contain a list of successful programs in the region over past years and allow chapters to borrow ideas from each other.**
- ★ Have the regional calendar prepared at the beginning of the programming year with all dates marked for the entire year. A calendar could increase attendance at regional programs and avoid conflicts. Also, this calendar could be displayed on a global online events calendar for anyone to view, even from their phone.

- ★ Be supportive of each other in every situation.

CHAPTER COUNTERPARTS:

- ★ **Establish a strong bond at the beginning of the year and continue to bond throughout the year. I hope to do this by going out to lunch, to an escape room, and to the the Adventure Park.**
- ★ Remain accessible to all chapter S'ganim at all times!
- ★ Meet one-on-one with each chapter S'ganit and their N'siah at the beginning of each term to help brainstorm program ideas and to populate the calendar with dates for chapter programs.
- ★ Attend at least one program per BBG chapter each term.
- ★ Help S'ganim to delegate jobs to as many different members as possible to ensure that we are not overwhelmed with responsibility and to create leadership opportunity. Delegate & elevate!
- ★ **Recognize S'ganim who have planned new and meaningful programs at regional meetings and give out gift cards as a reward for their hard work.**

REGIONAL BOARD:

- ★ Communicate effectively and support the rest of the board at all times.
- ★ Assist other regional board members in planning programs for their positions.
- ★ Stive to attend all regional events, fundraisers, and conventions.
- ★ Attend all board and regional meetings with a smile on my face.
- ★ Keep staff well-informed and ask for help when needed.
- ★ Fill in for the N'siah, if needed.

GOING FOR THE GOLD (Personal Goals)

- ★ **Receive input from the region at regional meetings by creating a feedback box.**
- ★ Focus on strong chapter programming, so we can work our way up to to united as one team.
- ★ Bring a positive attitude to all programs and act as a role model.

My Sister B'nai Brith Girls,
 "There is no I in Team." Olympic coaches often use this quote to convince their players to share the ball or work together. Well, there is no I in BBYO either! The Olympic games highlight teamwork and pride in our national team. BBYO unites Jewish teens in a spirit of sisterhood and brotherhood by providing creative programs that involve recreation, our Jewish Heritage, community service and social action. In the Olympics, even the fastest relay team will lose a race if they fail to cleanly pass the baton to each other. They must work together to win. Our Region is only as strong as our weakest chapter. United BBYO stands, divided we fall.

-Together, we can win the gold medal!
-Together, we can come together as a Region and make a difference throughout the Order!
-Together, we will!

*Submitted with so much undying love for
 BBYO, the Olympics, Michigan Region
 #1701, CLTC 7, Aliyah BBG #1208,
 programming, and each and everyone of
 you, I remain,
 Jordyn Michelle Lash*

*Proud candidate for the high and honorable
 position of your 74th Regional S'ganit for the
