THE 5 FOLDS OF AZA PROGRAMMING

SOCIAL	JUDAIC	ATHLETIC	COMMUNITY SERVICE	EDUCATION
This is one of NSR's strongest folds, but there is more that we can do in this area, such as adding a regional programming day once a month, an extra brotherhood overnight and a third regional dance, as well as having a third regional dance.	I will work closely with the Regional Shaliach to ensure that regional Judaic programs as well as regional services occur. We are a Jewish youth group, and we should embrace our religion.	This fold was improved upon this past year with the addition of AZAA football. However, there is no AZAA event in early winter or late spring and I believe we can very easily add these two events to our calendar	I will work closely with the Regional Shaliach in planning J-Serve as well as adding a regional community service day separate from J-Serve near the beginning of the year.	I will work with the Regional Moreh on the emerging leaders committee as well as creating a regional "BBYO-athon" in which younger alephs can learn about BBYO history and traditions all while having fun at the same time.

GOALS

- ⇒ Create a regional programming committee made of 7 select Alephs in the region with no more than one from any chapter
- ⇒ Create a regional program bank for anyone to be able to access and add to
- ⇒ Have a regional programming showcase day in which each chapter can show off their programming skills
- ⇒ Have a programming day once a month on which every chapter in the region programs and meets to get dinner afterwards
- ⇒ Have an extra brotherhood overnight in the fall
- ⇒ Continue to be involved in helping to plan convention and attend all steering meetings
- ⇒ Have a cross-regional program with Big Apple Region
- ⇒ Add a third regional dance
- ⇒ Plan a regional community service day separate from J-Serve

My Brother Alephs,

It is an incredible honor to have the opportunity to stand before you caucusing for the high and honorable position of your 60th Regional Aleph S'gan. Our region has an amazing opportunity in front of us. We have the potential to once again become the largest and best region in the international order. To do this, we, the proud alephs of the Nassau Suffolk Region #19 must stand united in our movement and show others how amazing our region truly is. Often, there is talk in the international order about a sixth fold. This fold is the mentality for great programming. The mentality of going the extra mile to think through your program and make sure that it is the best and most enjoyable that it can be for everyone involved. If elected, I will work tirelessly to adhere to this sixth fold and make sure that our region reaches its true potential.

Fraternally Submitted with undying love for my heart and home Samson AZA #1656, The Nassau Suffolk Region #19, The Grand Order of the Aleph Zadik Aleph, all alephs of the past, present, and future, and the seven cardinal principals upon which our movement was founded, I forever remain, one damn proud aleph,

Joshua Lewis Fisher
