For the Fall Term of 2013

My brother Alephs and Sister B'nai B'rith Girls,
My love for this chapter cannot be put into words, for it does not even
being to express how I feel Oseh, no one could even begin to compare to you. You
of you have made my experience in BBYO, and without a doubt have truly changed
my life. It might be cliché, but there's no better way to say it. You are the thing
that keeps me going and has made me into the person I am today. I would not be
nearly as happy, confident, or in touch with my Judaism if it weren't for you. This
all being said, I'm not saying I want to give back all that you've given to me,
because my being N'siah wouldn't even begin to do so. Oseh, you are my life and
because of this, I know we can be even **greater** and be doing **remarkable** things.
We have the ability to **accomplish anything we desire**. We have always
accomplished a lot and did everything well, but this next term, we are going achieve
so much more than we ever have. By going **Beyond our normal** and **taking action**
that is **original** and **outside of the box**, this term is going to be the best we've
seen. Fall term gives us a chance to **fall in love** with Oseh and **Bond** as a chapter all
over again. We often forget how useful and awesome they are, however, after this
term I plan on setting a new standard for future fall terms and take Oseh and
reach new limits.

With undying love for, being limitless, going beyond the normal, action,
accomplishing anything we set our hearts to, and of course, my
heart, my home, my life, **Oseh Shalom BBYO #5261**, I forever
remain a damn proud beaver,

EmilyBrookeKader

they can do. **you can go as far as your**
