My Brother Alephs,

This past year has been amazing, historic even, as we logged over 95 hours of community service; a new record. This displays Fisher's standard of excellence like no other. We are an amazing group of Alephs with a burning passion to help others; it is because of this that I am always honored when I have the privilege of calling myself a Fisherman. As Shaliach I pledge to work to continue to uphold our standard of excellence; blowing the region away in the process. My goal is to help make our chapter even more well-known and respected across the region and the entire order. By standing up for our beliefs, our stand-up cause, Detroit, Israel, and many other influential causes we can help improve our community one step at a time. As long as we continue to uphold our values and dedication to all the good we have done in the past, I know we will be bound for an amazing future.

Fraternally Submitted with Undying Love for Max Fisher AZA #337 and our Continued Service,

"I will insist the Hebrews have
 [contributed] more to civilize men than
 any other nation.

I Remain Aleph Daniel Eugene Kagan

Community Service

- ✂ Create a chart with monthly goals for our chapter community service to make sure we always stay on a good path of service.
- ✂ Have over 30 members attend J-Serve this upcoming year.
- ✂ Take part in aspects of community service that address issues extending beyond our StandUp cause such as hunger, cancer, disabilities, etc.
- ✂ Hold a recurring program that will allow children with disabilities, chapter members, and the community to come together in the form of various sporting activities.
- ✂ Orchestrate a simpler version of our "Jew Man Group" act and involve members of the Friendship Circle in it, eventually holding a performance for their friends and families.
- ✂ Visit a Jewish retirement center and provide staff with assistance and our elders with a day-making visit.
- ✂ Take part in community service events with at least 3 different organizations as well as 3 different causes.
- ✂ Develop a brand new relationship with F.R.E.E. (Friends of Refugees of Eastern Europe) and help out by having numerous programs with them.

Social Action

- ✂ Take part in social action days with various members/organizations in the community such as Come Play Detroit, Jewish Federation, etc.

- ✂ Lead a delegation of over 30 Fishermen to Walk For Friendship
- ✂ Have over 30 members attend Relay for Life
- ✂ Hold a Fisher canned food drive for those in need in Metro Detroit...if over 337 cans are donated I will send out a surveymonkey to the chapter and they get to decide what they would like me to do.

They are the most glorious nation that ever inhabited this Earth.

and have influenced the affairs of mankind more and more happily than any other nation, ancient or modern."

They have given religion to three-quarters of the globe

Judaic Programming

- ✂ Coordinate Fisher's first trip ever to the Holocaust Memorial Center. With such an amazing facility available for us, which is so educational and moving, there's no reason not to use this advantage to kick-start our Judaic programming.
- ✂ Hold monthly Shabbat dinners with different chapters, both BBG and AZA, each month.
- ✂ Have each monthly Shabbat dinner have a different theme related program for the holidays and events in Judaism that happen in that month.
- ✂ With help from the Regional Shaliach, plan a Fisher sponsored regional Shabbat dinner giving everyone in the region an opportunity to come together to celebrate Shabbat
- ✂ Highlighting our pluralistic nature, have heritage night; a night where we can all have fun as we learn about our collective diverse ancestry.
- ✂ As the weather heats up, take part in outside havdalah services and chapter bonfires with other AZA and BBG chapters.
- ✂ Hold "A Night in Israel", where we take part in a dinner made up of ethnic Israeli food and go through the evening taking part in activities common in our homeland.
- ✂ Diversify locations of Shabbat dinners. Having them take place at
