My Sister BBGs,

As the great Amy Poehler aka Leslie Knope says
“I love bossy women.” I could be around them all
day. To me bossy is not pejorative term at all. It
means somebody's passionate and engaged and
ambitious and doesn't mind leading.”

Let me tell you I don't mind being bossy. I am
passionate for RETENTION, engaged in
re-education, and ambitious for **recruitment**.

I will lead the way for everyone in our chapter
to feel welcome and happy. Let's make our
chapter not only grow in size, but grow in
sisterhood. I, **Maya Parks**, promise that if
I am elected MIT Mom, I will work my very
hardest, to commit myself to making Korczak
even better (If possible), and be someone
others can look up to.

With undying love for,

*Korczak BBG #849, GMR #61, Parks and Rec, Camp
Chi, Theater, and each and every one of you,*

I Remain
