My sister B'nai B'rith Girls:

Its time to stop hiding under your invisibility cloaks, take it off and let the world see your scar. Social Action and Jewish Heritage Programs could be magical if I'm elected as your Sh'lichah. If elected I will plan fun and creative programs while keeping the ideas of my sisters in mind. I will work closely with the S'ganit when planning my three folds of a six-fold function. If elected I will remain in constant contact with my regional counterpart. I will keep her up to date on my progress and the how the girls are responding to my functions. I will keep up to date Program Plans and turn the community service hours into the office as soon as they're finished. I have so much passion for this position and I have the will to do it right. My sister N'siah, my sister B'nai B'rith Girls, nothing would make me happier than being part of the magic that holds this magnificent order together.

With undying love for helping others, making education fun, the blue M&M, the Exec Board of the 08-09 programming year, and every girl proud to call themselves a member of Ruach BBG #83

I remain,

Jaimmie Koss
