CARRYOUT INFORMATION:

My Sister B'Nei Brith Girls:

You know that moment when you've been sitting at a restaurant for ages, impatiently waiting for your food, and the waiter suddenly sets the plate down in front of you? You become so excited; you can't wait to dig into the dinner and savor every single bite, because you never know when you'll have a meal this good again.

That's how I felt when I joined N'Sheekot.

I can honestly say that becoming a member of this chapter was one of the best decisions I've ever made. I've met so

many amazing people, helped my community, gone to amazing functions, and truly found my identity as a Jewish girl. Whenever I'm with my N'Sheekot family, I really do savor every moment of the functions—and I want every BBG or AZA to feel the same way when spending time with the girls of #393. If elected, I will make it my personal goal to make sure that all Kissables get the same warm and fuzzy feeling. Stephen Sondheim once wrote, "It's the little things you do together that make perfect relationships". I would love more than anything to take part in planning those "little things" in order to strengthen the relationships within our chapter and make N'Sheekot even more perfect.

With undying love for N'Sheekot BBG #393, food, musicals, having fun, Michigan Region BBYO, and every one of you, I remain

(My Goals as a N'Sheekot Leader)

Plan/organize AMAZING functions that are both fun and meaningful

Encourage both new and old members of N'Sheekot to become active in the BBYO Community, while also helping them recognize their passions outside of BBYO

Support/recognize the opinions of every N'Sheekot BBG and truly listen to whatever they have to say

- If any other members of N'Sheekot have a function idea, feel free to tell me and I will work with that member to make that function happen!!

Work with other members of N'Sheekot General Board to make the best decisions possible for our chapter

Work with my fellow S'ganot to plan events that will help us strengthen our relationships with other chapters
