

Aleph Zachary Andrew LeVay

Caucusing for the high and honorable position of
3rd Chapter Aleph Godol

*My Brother
Alephs,*

We have established ourselves. We are *metz*. Younger and more abundant than ever, each of us are growing as leaders. My main objective, if elected, is to have our beloved chapter members grow. Through brotherhood, leadership, teamwork, and time, *Ometz* will succeed and I know I can spearhead the efforts. Alephs, I have much experience through my Board experience and regional as well as international experiences. These things are valuable and will aid you and I into growing *metz*. All of this, and boys, let's have some fun.

Fraternally submitted to Ometz AZA 2553 and all of the opportunities and experiences AZA gives all of us, I remain, Aleph Zachary Andrew LeVay

he K.I.S.S. Strategy

The K.I.S.S. Strategy is an idea that I made to enhance programming as well as simplifying them. Hardly anyone wants to participate in a hard-to-understand, vapid program. That being said, K.I.S.S., or, Keep it Simple Stupid can be applied to make innovative, interesting, and improved events. Instead of creating complicated programs, I will get down right to the basics. The 5-Folds of programming and 7 Cardinal principles need to be implemented to bring out our fraternity, love, and most fun. Keeping constant simplicity, at the same time, unique programs will enhance our weekly meetings as well as increase membership. Overall, simplicity is something I can implement in generating programs. Even though I could not be S'gan anymore, it's important to make sure weekly activities are quality.

Organization & Communication

Last term, Communication and Organization was subpar. It truly was. Not everyone was responding and giving input, amongst other problems. If you elect me as your Godol, I promise you that I will not allow or accept for those problems to occur and for others to arise.

So Why Me? In a Nutshell.

I am a hard-working, enthusiastic, and determined Aleph. The job, no matter how difficult, will get done with me at the helm. You will never have to doubt that I, Aleph Zachary Andrew LeVay Will give up. Because It simply won't Happen.

Chapter Involvement

There is absolutely nothing more crucial in AZA than the chapter. There is nothing more important to me than having all of you have a say in what we do each and every week. If elected, I promise that if you ever have an idea, I will work with you to make sure your voice is heard. I know how much you care about Ometz, and I know that YOU can make a difference. And I want to be the guy that makes it happen.
