Ruach has done so much for me that I would love to be able to give back to it through minutes, attendance, summer program promoting, beau elections, and being an over-all devoted exec board member. As we travel through this upcoming year together, it will without a doubt, one to remember. I know I have already made friends that I will have forever and I cannot wait to make even more. I now would like to serve as Katvanit of Ruach BBG; traveling the world through the 2009-2010 programming year and forever as a B'nai B'rith girl.

With undying love for taking minutes,
CLTC VII 2009, and all of my Ruach sisters
