- The Double Up Plan

My Brother Alephs,

Yet another memorable year is coming to a close. I am not going to treat this summer as a break from Fisher. I will use this summer as time for preparation. I will be ready to make the next year even better than the last. If you allow me to continue to serve on the executive board of Fisher AZA #337, I vow to dedicate more than just the sufficient amount of time. I won't treat this position like a job. I will treat it as an opportunity to do my part in making Fisher better than the best it can be. Fisher is a big part of my life and I want to continue being a part of what makes this region great.

Fraternally Submitted With Undying Love
For Max Fisher AZA #337, Michigan
Region GLC, and the International Order,

I Proudly Remain,

Alenh Matthew Steven Elias
