My Brother Alephs,

As Mazkir, I plan to make a huge difference in the chapter. With the communication barrier broken down between board, and alephs, we can make sure everyone knows what is going on, and is able to input and give advice. With Chapter Calling Cards, everyone can keep in touch with everyone, and the Mazkir will be the central network of it all. Also, the Godol will not have to make every single Facebook event himself, and everyone will bring their chapter dues and poker \$\$\$\$. All business meetings will have a full script of everything that was said and every motion that was made. For no longer there will be no miscommunication in this chapter.

Fraternally submitted with undying love for Rabbi Marvin Meir Reznikoff Chapter #2283, and the whole order of the Aleph Zadik Aleph, I remain

Aleph Zev Philip Breyer
