My brother Alephs,

As part of being young Jewish teens we have to show our love and passion for our religion. If I am elected Shalaich I could bring Fisher closer to our history and culture. Being very active in the community I know places that need help whenever they can get it. As time moves on we let the fact slip out of our heads that people in this world need help and we need to stand up and say "henani" We are here.

Fraternally submitted with undying love for Max Fisher AZA #337, Michigan Region GLC, I remain,

Aleph Michael Bradley Gould
