*Denotes Planning on Attending

Lena (Minutes/Attendance)

- Take attendance of every member present at chapter meetings and all events
- Take precise thorough minutes at every chapter meeting and exec board meeting
- The minutes will be accurate and complete of what is said at each meeting and pay very good attention at each meeting to make sure everything is noted
- Create creative minutes that are fun and unique and try to have them be related to anything that is related to anything that is going on during that month or time of the year
- Ask the chapter what they think could be fitting creative minute ideas
- Turn in a copy of standard minutes and creative minutes to the BBYO office and to the regional katvanit on time

Carmen (Summer Programs)

- ❖ Promote a different type of summer program each monthly chapter meeting
- ❖ Inform members about the different types of summer programs and encourage them to attend, make sure that they know about scholarship information, money should never be a reason not to attend
- ❖ Have a function about summer programs for MITs and other members who are interested in attending, so that they can learn more about them
- ❖ Keep members who are planning to attend summer programs up to date with on due dates for registration and scholarships

Bridget (Beau Elections)

- Have beau elections early in the fall, so we can have them throughout the year
- Encourage members to nominate AZA's
- Contact AZA's who are nominated shortly after, and have them invited to beau elections
- Follow up with the nominated AZA's to see if they will be attending beau elections
- Encourage members to submit fun questions! The more the merrier!!

My Sister B'nai B'rith Girls,

Our strength is tight like a pair of jeans and I want to contribute to that strength for the chapter that I love and would do anything for. By serving as your katvanit, I will put everything I have into making unique creative minutes, taking standard minutes at chapter meetings and exec meetings, organizing beau elections, and promoting summer programs. In serving in this position, I will perform these tasks to the best of my ability because this chapter deserves the best.

With so much undying love for, Ruach BBG#83, summer programs, creative minutes, and each and every one of you

I Remain,

 Ethel Miriam Mogilevsky

Candidate For the high and honorable position of katvanit for the 2012-2013 programming year
