My Brother Alephs, We have forgotten what AZA can do for us and what AZA is about. I learned first hand what AZA was on December 2nd, 2012. That night, I stayed up all night playing GameCube and watching Pokémon: The Power of 3. That night, I closed a chapter of my life and opened up to a chapter of alephs. And honestly, that's what AZA does: connects us with people we would've never met. I mean, Aleph Josh Lang lives in the same state as us and I never would've met him had it not been for AZA. And had I not met him, I would not be the same person standing in front of you all today. AZA finds the best people in the world and nudges them to become friends with each other. And I think that is the true meaning of AZA: Not board, Not steering, Not Programs. Brotherhood, Fraternity, Friendship, Jewry. I want the AITs to understand that AZA is about fraternity and filial love, not board and drama.

Fraternally submitted with undying love for Super Smash Bros Wii U/ 3DS, Milky 2: The Milkinator, Sgt. A. Noose and Yizzy Present: Yo What's Good?, Hint of Lime, Sportskiball, OK Daddy, (Insert Josh Call), The migration of the Boofalo, Kanye West, DC Council #54, CLTC 7 2014, AIT Classes of 2017, 2018 and 2019, and my heart and home Max Cowan AZA # 2552, I will forever remain Aleph Joshua Ross Tow

Ideas and Goals

Education

- ✧ Have at least 3 AIT sleepovers
 - 🔈 First- Bonding/ Re-introduction to BBYO.
 - 🔈 Second- Program Planning. From that, they would all plan a program together
 - 🔈 Third- Running for board. We will have a mock board election to teach the AITs about the important parts of running for a board position
- ✧ Bi-Weekly Board Intros-
 - 🔈 Every other program, AIT's would be called 30-45 minutes early to teach them about a different board position. Each board member will do an activity about their position as well as an explanation
 - 🔈 This will be effective in teaching them about all the different board positions
- ✧ "Purple Book"
 - 🔈 Create a version of the blue book that will be used to help educate future members about BBYO
 - 🔈 This book will contain such information like: Cheers, Board Positions, What BBYO is about, Chapter History, Programming Standards and explanations of all types of BBYO events (Like Conventions, Summer Programs, and meetings)

AIT Interaction

- ✧ Communication
 - 🔈 Make Sure comms are good and AITs are informed
 - 🔈 AIT comms calls out by Tuesday (Before the meeting).
 - 🔈 Get at least half of the class to go to NMW and RC
 - 🔈 Same for Summer Programs (CLTC)
 - 🔈 Make sure parents are as informed as all the members of the chapter
 - 🔈 Talk to all AITs to make sure they know everybody
- ✧ Big Brothers
 - 🔈 Pair up AITs with older members in which they will learn about the world and grow a close bond with
 - 🔈 Treat Big Brothers like a cowch position

Recruitment

- ✧ Plan an amazing Rush Program
 - 🔈 Make it amazing- Show them specifically who we are and what we do
 - 🔈 Make it so good, that it leaves an everlasting impression
 - 🔈 Work with S'gan to make sure that the programs following Rush are the best programs of the term
 - 🔈 Steering- Allows a variety of programming in a single program
 - 🔈 Have at least 10 prospects at Rush, have at least 5 register by the end of the term
- ✧ RECRUIT!!
 - 🔈 Use those who work at synagogues to talk to potential new members and hype up BBYO
 - 🔈 Everyone should recruit
- ✧ NEW RECRUIT + REWARD SYSTEM!
 - 🔈 Depending on action will give you points
 - 🔈 Work with Stats cowch to keep track of points
 - 🔈 At the end of the term, depending on how many points you have, you can choose from a variety of prizes
- ✧ Talk about ALL areas of BBYO
 - 🔈 Use all areas of BBYO to get AIT's to come to events

Retention

- ✧ Plan a retention program
 - 🔈 Program specifically for getting less than active members active in the chapter again by reminding them about all the great things about AZA
 - 🔈 Have steering to allow for diverse programming—like Rush
 - 🔈 Have 3 Inactive members become active again
