AIT Events

During the upcoming term, I want to have at least one AIT event every other month. These will consist of AIT learning programs and informal AIT dinners. I would like to have a shadow position as well as an experienced aleph help lead the learning programs for the AITs. The dinners will also be a great opportunity for the AITs to ask questions they may have.

Rewards

This term, I want to reward both the new members that sign up as well as the alephs that recruited them. For every member that signs up within the first week that he is able to, he will be entered in a raffle. Every aleph that recruits or helps to recruit a new member will also be entered in a separate raffle. The winner of these raffles will receive a price.

Shadow Position

I would like to make a shadow position just for moreh. This would give younger members the opportunities to lead in the chapter. The holder(s) of this position would help make perspective calls as well as plan and lead the learning programs.

Communication

As moreh, I will do weekly emails and bi-weekly calls to both the perspectives and the parents. I will also send texts and facebook reminders, about upcoming events, to the perspectives. For questions, and to use social media to its fullest potential, I would also make a facebook page for the AITs.

Aleph Chad Owen Adelman

My Brother Alephs,

Thank you for reading over my platform and considering me for your aleph moreh. I want to ensure you that if elected moreh, I will do anything in my power to make sure this is a successful and effective term.

Finding 8th grade jews should not be a problem. I have a younger brother who is in 8th grade and who goes to Solon Middle School. I can use him as a starter when talking to perspectives and their parents. This way I am not a stranger trying to get their kid to participate in some weird high school club. This way the calls would be personal. If elected I would also make sure to help the rest of board with anything they may need. This chapter has given me so much, and I would love to give that to the younger members by being the best Moreh you've ever seen!
