

## My Fellow BBG's, my sisters, my princesses,

I am ecstatic to announce that I am running for our chapter board Sh'lichah! As many of you know, this is my first year in BBYO, and I feel so beyond blessed that I have found a home in calling you all my sisters! As we stand tall and proud as the princess chapter, I hope that each and every one of you can discover the princess and girl boss within you! When thinking of prominent female figures, one of my favorites is none other than Miss Elle Woods from Legally Blonde! Never failing to prove to the world just how strong she was, Elle set goals and did everything necessary to meet them. However, she never neglected to fall back on her sisters when she needed help. As your Sh'lichah, I plan to work alongside my fellow board members as well as each of you to make sure our next year as sisters is the best it can be!

**“GIRLS!!! I HAVE A COMPLETELY BRILLIANT PLAN!”**

As chapter Sh’lichah, I hope to not only empower each of you to be the best you can be, but help you discover or continue to develop your Jewish identity. Judaism is what has brought us all together, incorporating that into our chapter events as well as daily lives is immeasurable in value. I plan to work closely with the S’ganit to improve our programming as well as highlighting Jewish heritage throughout the year. Not only this, but I aim to spread awareness surrounding the global climate towards Israel and Jews. It is important to me that each member of our chapter have the proper background to develop her own role as an advocate, a skill she can carry through life.

Working along with the Mazkirah and the rest of the board, I hope to help all of us find a Stand Up cause that we feel truly dedicated to. By doing so, I hope to increase interest in each of our community service events that I hope to mold into our calendar year!

## Let’s Learn About Israel

We can consider ourselves lucky that we live in a region with such a wealth of organizations that deal with Israel advocacy. My father works for AJC and alongside CJP, two organizations that can lead our discussions and learning path in global climates.

## Boston Day Trip!

On that same note, visiting the AJC office could prove to be instrumental in teaching Israel advocacy! While we are there, we can combine objectives of other board positions to make a fun day trip full of programs you’ll all love!

## Chapter Shabbat

At least three times this year, I hope that our chapter can provide the option to attend a Shabbat dinner at a sister’s house.

*“What YOU want!”*

---

As a member of our chapter board, it is important to take initiative to plan events that we believe would be most appealing to all members. However,

I want to know what YOU all want. Elle Woods knew what she wanted, and I have a feeling you do too! In order to make this year a success, I want to hear what you all want to see happen this year, and let's make it happen!

## LIVE BY IT

*“What? Like it’s hard?” -Elle Woods*

In life, you'll face a lot of challenges and you'll meet a lot of people who might be discouraging of your aspirations. JAL is a community of girls you can always count on to encourage you! Live with this motto, and you'll reach all of your goals! Nothing is out of reach for you sweet BBG!

*“I promised her, and I can’t break the bonds of sisterhood.” - Elle Woods*

As BBG's, we stick together, encourage each other, and love each other for life!

*“Remembering that first impressions are not always correct” - Vivian Kessington*

If you're familiar with the movie, then you would know that at the beginning of the movie, Vivian and Elle do not get along. However, after learning that her initial evaluation of Elle's character was incorrect, Vivian helps to encourage Elle to persevere through hard times. We might not always love everyone we meet, but giving everyone a second chance is the key to becoming a better you!
