My Sister N'siah, My Sisters B'nai Brith Girls,

Aloha cousins! Welcome to Tikvah BBG, where the leaders are top-notch, the members are sexy and sweet as BBGs can be, and the MITs are, well, turtleicious! Here, we put a big emphasis on ohana (family). In Tikvah, we care about all of our members and make sure they feel like they are a part of one big family!

I personally will keep this reputation alive by being an awesome MIT Mom to all of the new MITs that enter Tikvah this fall! I will work hard to promote the 3 R's (Retention, recruitment, and reeducation) by making sisterhood a priority. I will be for the all of the members old and new as Lilo is to Stitch and all of his 626 cousins. She guides them to be good members of her society, just as I will lead and teach the MITs what encompasses being a BBG! I want to help the create the future leaders of this wonderful chapter and MIT Mom will allow me to do just that!

So, I hope you will let me take the reigns as we welcome a new class of eager MITs into our tight, sisterly ohana!

Respectfully Submitted With Undying Love For,
Lilo and Stitch, Ohana, Lonestar Region # 73, and the Blue and Purple Turtles of Tikvah BBG # 2473

I Remain,
Natalie Lauren Engel
Candidate For Your 2013 Fall Term MIT Mom
