My Sister B'nai Brith Girls:

I'm so excited to be able to run for the position of S'ganit. Just like the rainbow fish has many bright and beautiful scales, so does Ahavah. Everybody is their own scale and is unique, but we all come together to make Ahavah special. I'm going to get every scale involved and make sure that each member knows she has a place in Ahavah.

With so much undying love for Ahavah BBG #293 and the 2008-2009 programming year, I remain Eliana Hersha Neuman, proud candidate for the high and honorable position of S'ganit for the 2008-2009 programming year.
