Message from me!

My Sister B'nai Brith Girls, Since before joining BBYO, I always knew I wanted to make an impact during my time in this organization. After joining Pearl, my drive for this goal only increased. I am so passionate about Pearl and want to be part of making it better by being Mazkirah. I believe a huge aspect of making a chapter successful is communication. After WRC, I was thinking about why Pearl didn't get chapter of the year. Well I saw our faults and now I want to help fix them so we can be the best chapter we can be. I am ready to help take our chapter to the next level in this spring term.

Submitted with undying love for, Lester Sherman Okeon AZA #1204 the chapter I adore, Cotton States #72, Daniel Pearl BBG #2522, purple, white, yellow, green, blue times 2, and each and every one of you,

I remain,

Noa Gabrielle Siskind ♥
