Fall Conclave	Michigan Region GLC	2009
Regional Convention	Michigan Region GLC	2009
YLC 1 2010	Michigan Region GLC	2010

# Goals and Ideas for the Position

## Installations Coordinator

- Hold installations with at least two other chapters.
- Hold installations at either a restaurant, or at someone's house.
- If we decide to hold installs at a restaurant, choose a restaurant that is not fancy, not fast food, but somewhere in the middle.
- Determine the chapters we will be having installs with by mid-April.
- Have the location for installations set and confirmed by the end of April.
- Publicize the price of installations within a week of the date that the location of installations is set.
- Make sure that everyone pays for the evening. This will be done by writing down the names of those who have prepaid, and collecting money at the door. No one will be allowed in unless they have paid.
- Have installs take 2-3 hours.
- Confirm with those who are speaking that their speeches are sufficient in quality and length.

## Senior Lives Coordinator

- Hold senior lives at either a hotel or at a chapter member's house, with the chapter members present sleeping over for the night.
- Turn the evening into a brotherhood sleepover.
- Allow each senior to speak for up to an hour.
- Allow our advisor, Maximillion Shear, to address the seniors, and to speak to the rest of the chapter about his own time as our advisor, as it is his last year as our advisor.
- Take a short break between each speaker, to allow the chapter members and the preceding speaker to relax and control their emotions.
- Have senior lives take place before the school year ends, so that the maximum amount of people can attend this landmark event for Fisher, as its founding members leave the order.
