My Sister B'nai, B'rith Girls:

In eighth grade I signed up for Camp Aliyah. I got off the bus feeling nervous not knowing what would come next. I soon settled into bunk #1208, met my BBG sisters, and decided to get involved. I came back the next year as a MIT and took advantage of the endless opportunities offered by the chapter, region and international order. My love for BBG lead me to Camp Beber for CLTC 8, 2019. This taught me many skills that I was able to use as Chapter MIT Mom this year. If elected as N'siah I promise to be dedicated and passionate about the position. I will be a positive role model for all chapter members and make them feel included. I will help lead Aliyah to a successful year. Pack your duffles and board this bus for the best camp adventure yet!

Submitted with undying love for each and everyone of you,

I forever remain,

Alison Paige Chapnick
