

Sarah Grace Leffler
Is Caucused for
the Highly Esteemed Position
of
Hilah BBG's 11th N'siah
For the Fall Term 2019

My Sister B'nai B'rith Girls,

Two years ago at my first chapter convention, I ran for my very first position on board. Ever since that first election, so many things have changed for the better. Each one of us have grown so much since I was first on board, whether you even knew Hilah existed or not; think about yourself then and look at all that you've accomplished since. Hilah has helped me to be the most me that I have ever been in my entire life and I've overcome so much all things to Hilah. I want this chapter to do the amazing things it did for me to each one of you. I want to make a change in all of your lives and in chapter history.

I submit with undying love for disney, camp, being an lit, my fish, my cats, sam, sam's dog, the quarry, going to pikesville, rockville, orlando, spongebob the musical, really long text tones, OUR COUNCIL GIZBORIT SIDNEY EVA COHEN, kickoff dances, the ranch I still have from rc, Bekah Barrie Green, pentacycles, bbyo, the international order, nre, dc council, dc bbg, all of my mits, mit mom, mazkirah, gizborit, safranit and my heart and home Hilah BBG #2551, I forever remain a damn proud candidate for Hilah BBG's 11th N'siah, Sarah Grace Leffler
