my sister b'nai b'rith girls,  
 When i think of the future of zera bb9, i think of all of you. i am honored to have been a part of this chapter since the beginning and to have seen it grow drastically. all of your passion and drive inspires me, and i can't wait to see what you all do in bbyo in the future. i want to be the one to spark your bb9 flame, and make sure it doesn't burn out. although i can't predict the future, as n'siah i will make sure it's a bright one.  
 Submitted with undying love for zera bb9, i forever remain brianna paige piderit.
