HENGBER

My Sister B'nai B'rith Girls,

BBYO is courage. BBYO is leadership. BBYO is identity. BBYO is passion. BBG's are sisters. All of these traits constitute the meaning of this organization and help unite us as one chapter, T'lalim BBG. Moana, a Disney princess, has courage, is a leader, strives to find her identity, and is passionate towards her culture much like us. If elected as N'siah, I cannot wait see **how far we will go** and our chapter will **shine** brighter than ever before.

Respectfully submitted with undying love for T'lalim BBG #2378, Gold Coast Region #51, CLTC 1 2016, ILTC 2017, how far we will go, shining bright, courage, leadership, identity, and passion,

I forever remain,

Andrea Jordan Hengber
