My Sister B'nai Brith Girls,

Throughout my time in BBG, I have seen Ahavah do some *tremendous* things. We have passed motions, created cheers, and made history in our chapter. But, the most amazing thing about these accomplishments is that we did them *without a doubt in our minds*. We took a route without knowing the final destination, and I want to reflect this in my N'siah term. I will work my hardest on behalf of the chapter to make sure **WE PAVE OUR OWN PATH, take risks, and CREATE NEW PRECEDENTS** that will change our chapter *forever*. And yes, we do not know what the future holds. But, what we do know is that this term will create a chain of success for the future. Submitted with undying love for **TAKING RISKS**, not knowing what the future holds, paving our own paths, and *every single one of you*,
I forever remain,

Jordyn Ruth Green

A Damn Proud Candidate for your FT 2018 N'siah
