Let's Have an Experience
Like no Other!

SUBMITTED WITH UNDYING LOVE FOR:

MITs coming this Fall, running into every Jew on Earth at Panera, one week anniversary of junior year, peace out summer, the ALS ice bucket challenge, fundraising, sisterhood, and most importantly: the experience of a BBG.

Daniel Pearl BBG is an
Experience Like no Other!

Daniel Pearl BBG is an
Experience Like no Other!

I, Sophie Erin Levy, am caucusing for the high and honorable position of Daniel Pearl BBG's 2014 Fall Term N'siah

Daniel Pearl BBG is an experience like no other. We are unique in every way, from our purple and white jerseys to our dances at winter convention, no chapter can compare. I want every MIT to experience how amazing being a member of this chapter can be. In order to do that, my main focus this term will be on recruiting and keeping active the most amazing MIT class ever seen and raising the funds we need to feel comfortable enough to put on the best possible programs and events so our chapter can have the best possible experience as a whole.
