

My Sister B'nai B'rith Girls of Mountain Region,

This is our year. It is our time to step up and take the lead. It is our time to show the world that Mountain Region is stronger than ever. Each and everyone of you can make a difference in this amazing order. Not only will I be here for you, but so will a network of girls. My passion for this position and organization has grown stronger and stronger over the years and I cannot wait to show Mountain Region exactly what I am capable of.
