MY SISTER B'NAI B'RITH GIRLS,

I've got my head in the game, and I believe that this term can soar and fly with me as your Shlichah. Ko'ach is a home to each and every one of you, and Judaism is something that connects us all and helps us create programs, shabbats, and havdallahs that make our chapter as amazing as we are. As Shlichah I don't want to stick to the status quo.

Ko'ach is the music in me, and through Judaism, Stand Up, Havdallah, Song Sessions, Shuls of the Month, and more I intend to strengthen our chapter, and bond us even more. Together there's not a star in heaven that we can't reach. We can make a difference in our community, and effectively Stand Up. We can be the start of something new by learning about Israel, and being passionate about our home land. When we have song sessions, havdallahs, and services at shuls of the month I want to reestablish the magic we've all found in Ko'ach. Together we can have so many nights to remember, you can bet on it.

Submitted with undying love for,
Troy Bolton, Judaism, East High, Israel, Stand Up, Randomly breaking out into song and dance, my heart and home Ko'ach BBG #2529, and each and every one of you
I forever remain,

Mia Brooke Pearce

Damn proud candidate for your spring term 2017 Shlichah
