My Sister B'nai Brith Girls,  
The characters in Winnie the Pooh all depend on one another, just like a BBYO chapter. Winnie's story wouldn't be the same without Piglet, Tigger, Christopher Robin, and the other characters. Each of them adds to the story and shapes the outcome. As do the members of Ohev. Just like the characters, we are all here to help each other along the way. As N'siah, I will work to ensure every member feels welcome and at home in the chapter. Together we can make Ohev the best chapter in the order.
