

Aleph Matthew Sean Sturt

Caucusing for the High and Honorable position of the 52nd Godol of Haganah AZA #2379

My Brother Alephs,

We are about to embark on a historic 52nd term of Haganah's storied journey, and I couldn't be happier. The position that our chapter is in is **the best it has been in recent memory**. I am not only prepared, but ecstatic to be on the journey with all of you.

Being the second oldest chapter in the region, it is most important that we keep our traditions intact as well as develop new ones for our future members. This way Haganah can continue to grow and become the greatest chapter in the region.

If elected, I will lead this chapter by example. I will take into account not only my needs, but the needs of everyone within this chapter. Over this next term, I see our chapter growing exponentially, not only in size, but in attendance as well.

Fraternally submitted, with undying love for Haganah AZA, I forever remain, Aleph Matthew Sean Sturt

- Chess team member
- Went to Camp Chi for 4 years

Goals/Expectations

- ❖ Godol
 - Lead chapter in right directions
 - Achieve 50 member goal before March 1st
 - Help all board positions do their job effectively
- ❖ S'gan
 - Plan successful programs that attract current members as well as prospects
 - Plans programs regarding to all of the five folds
 - Help coordinate WOW events with the Godol and Moreh
- ❖ Moreh
 - Leader of recruitment within our chapter
 - Help coordinate and spread the word about WOW events to prospects
 - Educate the chapter about AZA and lead successful AIT programs
- ❖ Shaliach
 - Maintain a religious aspect within the chapter
 - Help educate the chapter about Judaism
- ❖ Mazkir
 - Keep an organized record of all things discussed at meetings
 - Make sure everyone is informed about chapter functions
- ❖ Gizbor
 - Keep an arranged record of the chapter funds
 - Hold at least 2 fundraisers in the term
- ❖ Sopher
 - Manage all social media aspects of the chapter
 - Take pictures at all functions, chapter and regional
- ❖ M'kasher
 - Work with the Moreh and focus on recruitment of 8th graders

The M.A.P Method

Money, Advertising and, Programming

Money

This chapter has already seen two fairly successful fundraisers in the last two terms. We need to build on this and have many more. Doing this will help our efforts and we will have better resources for events and conventions. We also must have a product to sell at shuk and at spring convention.

Advertising

The biggest issue in our chapter is advertising. To be successful, all members and prospects should know when and where every event is at least a week before. We will do this through our Remind 101 and group chat.

Programming

The key to a successful chapter is its programming. This term, I hope to have many well planned out events for all of you. Also, I hope to set up a system for other board members as well as general members to plan programs alongside the S'gan.

ALEPH MATTHEW SEAN STURT
