To my sister B'nai B'rith Girls,

I, Hilary Rappaport, am caucusing for the high and honorable role of S'Ganit for our BBG Chapter L'Dor Vador #2559. Since the first time I heard about BBYO, I knew that I wanted to get involved and make it a priority for myself. After joining our chapter and meeting all of the wonderful people in our chapter and region, I have begun to accomplish my goals and get as involved as possible. I plan on doing my best to uphold the responsibilities of the position. I plan to communicate with my co, board members, and chapter members. I will fill in for the duties of N'siah in her absence, our programs will include the six folds of the B'nai B'rith Girls, and make our events and meetings more fun and enjoyable. I have only been in BBYO for about a year. During that year it has become one of my top priorities and favorite things to do. My plan is to make every member of our chapter love BBYO as much as I do. I promise to withhold the responsibilities of S'ganit and work closely with our board and all our members to make this year, 2017-2018 the best it can be. I will work towards and do my best to make sure that our chapter reaches all of its goals.

**With undying love for One Tree Hill, Camp Laurelwood, NYC, my cat,
food, spooley, and each and every one of you, I remain,**
