My Sister B'nai  
Brit Girls,  
A chapter is like a puppy.  
Every year, the chapter starts off  
young and fresh, ready to grow  
and make changes. Like a dog,  
it stays true to its roots and breed, but is open to  
changes and growing along with its family. Similar  
to a dog, a chapter needs the perfect family to help  
it thrive. I want to be the head of that family, which is our  
chapter. As chapter N'siah I will have us all work  
together as one big happy family so that Chaverot  
and each and every member can thrive  
within the chapter.

Submitted with  
undying love, I remain a damn  
proud candidate for your  
2014-2015  
Chapter N'siah.  
Carly Altberg

I will make  
everyone  
comfortable  
within the chapter  
and help them  
thrive.  
I want to build  
relationships with  
my girls.  
I will represent the  
chapter positively  
**Personal Promises**  
As Chapter N'siah  
I will devote my  
time and passion to  
make Chaverot BBG  
#2307 the best it  
can be. I will love  
each and every one  
of you (already do!)
