MY SISTERS OF ROCKY MOUNTAIN REGION #25,

Prized economist the Notorious B.I.G. once stated, "Mo Money, Mo Problems." Excuse me mister, but I don't think you have your economic theory right. **MO MONEY, MO FUN!!**

As your 61st Regional Gizborit, it will be my goal to promote financial stability across the region. I promise to put chapters first, ensuring they have their monetary needs before raising cash for our region and ISF. Because unlike the words of Jessie J, it is **ALL about the money.**

Additionally, I will work to craft engaging regional fundraisers, help chapters design adorable apparel, and most importantly, **make it rain (cash and water, droughts aren't good for business)** in Colorado and New Mexico!!!
