## Vision Statement

**L'Chaim is a thriving chapter full of eager and inspired Alephs. Those Alephs will be ready and willing to take on their own leadership roles regardless of position. They will run for board, plan and run programs, steer conventions, and go on summer programs; they will be self-motivated; they will be absolutely sure that L'Chaim AZA #000222 is the best chapter in the order.**

**"The only limit to our realization of tomorrow will be our doubts of today." - FDR**

# **So how are we going to get there?**
