My Brother Alephs,
Once again we gather to elect our next regional board. We had a great term, but there is still room to improve. Our region has so much more potential that we can unlock this upcoming year. I want to give back to the region what the region gave to me and help GMR to unlock its full potential. I can see a very bright future for GMR and I can't wait to be apart of the future.

Fraternally submitted with undying love for GMR #61 and Palmach AZA #2561 I will forever remain,

Aleph Eli Samuel Gould

BROTHERHOOD

At the core of everything we do in AZA is brotherhood. Alephs who feel a sense of fraternity and togetherness will be more motivated to do great things for this region. As Aleph Godol, I pledge to bolster GMR AZA's brotherhood so that we can build new generations of leaders, accomplish these simple ideas and make our region successful. We will all become closer and build a strong bond of brotherhood. Some of these goals may raise the bar, but I know with hard work, enthusiasm, and maximum effort we will succeed. I know we can become a strong region united by brotherhood and, if elected, I promise to create an environment where everyone feels like a leader.
